

2009 Team Nova Scotia Showcase

05.01.09 - 05.02.09

presented by **NS YES!** Nova Scotia Youth Experiences in Science
Showcasing the top grade 7-12 science fair projects from across Nova Scotia

You are invited to meet Team Nova Scotia!
40 bright students from the South Shore to Cape Breton make up Team Nova Scotia, which will be representing the province at the 2009 Canada-Wide Science Fair in Winnipeg - a prestigious event that attracts over 450 of Canada's top students annually

Please show your support!

To view their award-winning science fair projects in the fields of Health Sciences, Earth and Environmental Sciences, Physical and Mathematical Sciences, Engineering & Computing Sciences, Biotechnology and Life Sciences, please visit us at the 2009 Team Nova Scotia Showcase at:

Saint Mary's University's McNally Main Auditorium

(main entrance on Robie St.)

May 1: 15:00 - 17:30

May 2: 11:00 - 13:00

Come and see the discoveries made by Nova Scotia's future scientists, innovators, and business leaders!
